TURNHOUT

PRIMES

Do you enjoy brain games or numbers? If you do, the card game "Primes" is certainly going to be a welcome challenge for you ! This year, the Belgian Championship Primes will be organised for the first time ever!

Primes is a quirky card game to be played with 4 people. It is based on compiling series of 13 prime numbers and 2 jokers in 4 different colours. Those who are not familiar with the counting methodology can consult a so-called combination table.

The Belgian Championship Primes will be taking place in the National Museum of The Playing Card in Turnhout (also known as the city of cards) on the 23rd and 24th of October 2021, under the sponsorship of Jean-Paul van Bendegem and the inspiring eye of designer Jan Pelssers. Anyone as from the age of 16 is welcome to participate, levels of difficulty or any other hurdles do not exist!

PRACTICE SESSIONS

Do you want to learn how to play Primes or to sharpen your skills ?

Free of charge practice sessions will be organised:

- Saturday September 11th & September 25th 2021
- From 2 until 4 PM
- At the museum café "Vijven & Zessen"
- Please register using following link: www.primes.one. You can also find the game rules online.
